Everglades®

Model: 375cc
Fuel Capacity: 403 gal

Notes: This information is a performance prediction based off of measured data. It is intended to be used for propulsion comparisons. Performance is predicted with 200 gallons of fuel and 750 lbs of people & gear aboard. The Seakeeper 3 and second station options are not included in this prediction. These options will reduce performance. Range is calculated off of 95% fuel capacity and is shown in statute miles. Performance results can be affected by many factors including vessel loading, option content and weather conditions. The reported performance and fuel consumption are not guaranteed.
